- ♦ Please read the **Starting Times Information** sheet.
- ♦ Start times are staggered for the safety of participants in order to have a tighter race pack that safety boats can monitor most effectively.
- ◆ Please use good judgment and don't race if you are unfamiliar with the race course. Officials reserve the right to deny race entry to any participant.

PARKING – Please do not park in trailer stalls at Hawaii Kai Boat Ramp. Parking in marked stalls only – cars will be cited. If we do not comply with these rules we will lose our privileges to hold races in Hawai Kai in the future.
