

Molokai World Championships

Presented by Epic Kayaks

**2009 RACE DATE: THE DATE IS SET AT
Sunday 17th MAY 2009.**

IMPORTANT RACE ANNOUNCEMENT

OC1's invited to participate

Due to requests from OC1 paddlers the race organizers have decided to include OC1 entries in the Molokai World Championships.

The race organizers are including the OC1 division because of requests from the OC1 community of paddlers and wish to accommodate this community of athletes with another opportunity to cross the Kaiwi channel with the safety present in the race.

Prizes will be limited to division(s) awards based on the number of OC1 entries in the race. In the event that added sponsorship is made available for the OC1 division, awards and prizes will be provided.

In addition OC1's will be included in the Makapuu Challenge to be held on Sunday May 10, 2009; the entry fee for this race is included in the Molokai World Championships entry fee. Single race entry in the Makapuu Challenge is available at \$50 US.

This is a great opportunity to race against an international field in a challenging coastline race that is consistently a downwind run.
