RELEASE:

I realize that every time I leave shore in a small boat, I am a potential drowning victim. In addition, there is a possibility of injury from many things, including unseen obstacles, weather, current, waves, insects, and other boaters. Human powered water crafts require physical effort which can at times be heavy, including: lifting, pulling, and possibly prolonged exertion in adverse conditions.

In signing this release, I indicate my understanding of risks involved with activities involving human powered watercraft, and agree to take full responsibility for my physical condition, actions, and safety. Now, therefore, intending to be legally bound, I hereby waive for myself, my heirs and assigns and for anyone else whomever claiming through me, my right to sue or any other way attempt to hold responsible the Island Inn, the race organizer, Rea Sieber, or co-coordinators, or any of my fellow paddlers for any mishaps to my person or my equipment, other than that which is due to willful malicious action of the individual against whom I claim relief.
